WELCOME TO SENIOR SCHOOL

The transition from Year 9 into Year 10 is a significant one, as your child begins to refine their program and makes choices that support them to undertake their pathway of interest in the future. The Senior School Team at Trafalgar High School are committed to supporting students and families to make informed decisions regarding subject and program choices, provide careers counselling and to assist students with their pathways choices right throughout senior school.

Trafalgar High School is a place of opportunity where students are encouraged to exhibit positive attitudes to learning, high levels of independence, cooperation, tolerance of others, self-discipline and pride in achievement. At Trafalgar High School we support students to actively engage with their learning by setting challenging, achievable learning goals and self-monitoring their progress. Engagement with learning is fundamental in the Senior School, where students begin to access VCE or Applied Learning options as part of their Year 10 program.

The journey to achieve personal excellence is one that develops and grows as your child becomes a young adult and begins to identify their unique strengths and we look forward to being with them every step of the way.

VISIONS & VALUES

Our vision at Trafalgar High School is to provide a caring, supportive and challenging learning environment where all students have the opportunity to achieve and develop as lifelong learners who actively participate in their community.

- **Kindness** – fostering an environment where all members of the school community demonstrate compassion, empathy and generosity in all their interactions with others; promoting a culture of care and support within our community.
- **Effort** – creating an atmosphere where every member of the school community embraces perseverance and hard work in all their pursuit for continuous improvement.
- **Respect** – nurturing a culture within the school community where all members consistently demonstrate consideration, tolerance, and politeness in their interactions, while honoring and valuing individual differences and contributing to the creation of an optimal learning environment.

ATTITUDES TO LEARNING

Effort

Engage in the lesson by working to know more and demonstrate more.

Thoughtfully answer and ask relevant questions

Complete set work in a timely manner

Behaviour

Listen and follow teacher instructions

Treat others with respect

Demonstrate school pride.

Homework & Preparation

Be punctual to class

Have all necessary equipment for the lesson

Complete set homework tasks in a timely manner

SCHOOL UNIFORM

Trafalgar High School's uniform requirements are:

THS design polo shirt

THS design jumper

Plain black shorts.

Plain black pants.

THS design summer dress

THS design winter tartan skirt.

THS design rain jacket – black fleece lined or green/black spray jacket

Black (solid black in colour) lace up shoes, buckle style (T-bar) or runners

THS design Bucket hat or Beanie

Black skivvy/long sleeved t-shirts are acceptable under polo shirts

Black leggings are acceptable under dress or skirt

Plain black winter scarves

Approved Retail Suppliers:

Beleza Uniform Supplies.

PASE/Sport Uniform:

THS design red and white sports tops

Black basketball shorts or black tracksuit pants

White or black runners, non-marking shoes for the sports stadium.

Makeup, Hair and Jewellery:

Natural colour cosmetics only. Excessive make-up or jewellery is not permitted.

Students with pierced ears are permitted to wear studs or sleepers only. No other visible facial jewellery (such as eyebrow studs or rings, chin studs or lip studs. Small nose studs permitted if the stud is deemed acceptable).

ATTENDANCE

Trafalgar High School VCE attendance requirements in Year 11 and 12 state that students are required to attend their VCE classes 90% of the time.

All Year 10 students undertaking a VCE subjects need to be aware that absence for any School Assessed Coursework (SAC) MUST be explained by relevant documentation, e.g. a medical certificate or a Statutory Declaration. Students must attend SACs unless extenuating circumstance of illness prevent them to do so. Any absence from a SAC must be followed up with the coordinator and subject teacher, so a reschedule date and time to be agreed upon.

Absence Notification

If a student is absent, even for a part of the day, we require parents to notify the school via Compass or a phone call to the general office on (03)56331733.

Early Leavers

Request for permission to leave early should be either a phone call to the general office on (03)56331733 or in writing. Students must sign out at the general office prior to leaving.

First Aid/Illness

Students are to report to the First Aid Officer at the General Office. Parents will be contacted if the student needs to go home. Under no circumstances should the student leave without telling someone.

Late Passes

Students must either bring a note, or parents can ring the general office on (03)56331733 for the student to be signed in. Students will require a late pass from the office to be admitted into class.

Leaving School

Students are permitted to leave school if issued with an early leavers pass. Only those with notes are permitted to leave the school grounds during school hours. Students are not to ring their parents to seek permission to leave school. They must report to the general office if they need to arrange to leave school early.

SCHOOL DAY

Period 1	9.00 am - 9.58 am	58 minutes
Period 2	10.02 am - 11.00 am	58 minutes
Recess	11.00 am - 11.20 am	20 minutes
Period 3	11.24 am - 12.22 pm	58 minutes
Lunch 1	12.22 pm - 12.52 pm	30 minutes
Period 4	12.56 pm - 1.54 pm	58 minutes
Lunch 2	1.54 pm - 2.24 pm	30 minutes
Period 5	2.28 pm - 3.26 pm	58 minutes

SENIOR PATHWAYS

Where to Now?

Pathway options at Trafalgar High School

Senior Secondary Education	Further Study Options	Employment Options
VCE	Tertiary study options requiring an ATAR (E.g. for university and TAFE)	Apprenticeship or employment
VCE VM	Tertiary study options that don't require an ATAR (E.g. for apprenticeships, traineeships, further education and training, alternate university entry and workforce entry)	Apprenticeship or employment
VPC	VCE VM or Certificate II level VET (E.g. entry-level Vocational Education and Training, or straight into a job)	Community participation, apprenticeship or employment

***VET (Vocational Education & Training)** - This is industry specific based training and learning, undertaking a Certificate II or III. Typically one day per week, over two years.

SENIOR PATHWAYS

Year 10 Program for 2024

Consists of three alternatives, students undertake one of the following:

1. Straight Year 10 with a Senior School Preparation subject.

OR

2. Year 10 Program with one VCE Subject.

OR

3. Applied Learning Class (capped at approx. 23).

YEAR 10 PROGRAM:

STRAIGHT YEAR 10 OR YEAR 10 WITH A VCE SUBJECT

The Year 10 curriculum grid, with the time allocations attached to each subject, appears below.

Compulsory Full Year Subjects

English	4 x 58-minute periods per week
Mathematics	4 x 58-minute periods per week
Health and Physical Education	4 x 58-minute periods per week
Science	4 x 58-minute periods per week
Year 10 Electives	4 x 58-minute periods per week
Growth For Learning (G4L)	1 x 58-minute period per week
Chosen VCE subject or Year 10 subject	4 x 58-minute periods per week

VCE subject: Students will be provided with a list of VCE subjects that they can choose from, to enhance their Year 10 study load and to prepare them for the rigour of VCE in Year 11 and 12. Please note, VCE subject options are limited for Year 10 students as they are designed to be an early-access experience. Students in Year 11 and 12 have a larger range of subjects to choose from. More information about individual VCE subjects can be found at: Pages - VCE Study Designs (vcaa.vic.edu.au)

Mainstream Year 10: Some students may not feel ready to undertake a full VCE subject in Year 10, hence why we offer a Senior School Preparation course.

YEAR 10 PROGRAM:

APPLIED LEARNING

The Trafalgar High School Applied Learning class will be one class, by application only. This class is designed as a pathway into the VCE Vocational Major (hands-on/applied learning) for students who may be interested in TAFE, apprenticeships or traineeships post school.

Students in this class will complete:

English	4 x 58-minute periods per week
Mathematics	4 x 58-minute periods per week
Business Management	4 x 58-minute periods per week
Science	4 x 58-minute periods per week
PE/Health	3 x 58-minute periods per week
Growth For Learning (G4L)	1 x 58-minute period per week
A chosen VET course	One day per week

Applied Learning students will have access to a VET (TAFE) course. This will occur one day a week, at the site where the VET course runs (Morwell, Newborough, Warragul, Trafalgar etc.).

Applied Learning students must ensure they:

- Meet attendance requirements at school and VET
- Ensure they communicate VET issues to the school immediately
- Sign a VET agreement contract
- Must acknowledge that the VET course runs for the entire year. No changes to the course/trade can be made throughout the year

Entrance into the Applied Learning class is by application only. See Compass for more details regarding applying for the Applied Learning Class.

TUTORING PROGRAM

Our school takes great pride in its VCE tutoring program, offering students an exceptional opportunity to excel in their final years of high school. The program is designed to provide comprehensive support to students preparing for the Victorian Certificate of Education (VCE), ensuring they have the knowledge, skills, and confidence to achieve their academic goals. With a team of experienced tutors, the program covers a wide range of subjects, including mathematics, English, sciences, and humanities.

The VCE tutoring program at our school goes beyond simply helping students understand the curriculum. Tutors work closely with each student, tailoring their approach to meet individual needs and learning styles. They provide personalized guidance, assisting students in setting goals, creating study plans, and refining exam techniques. Whether it's through small group sessions, one-on-one consultations, or online resources, the program fosters a supportive and engaging learning environment, encouraging students to challenge themselves and reach their full potential.

BRING YOUR OWN DEVICE (BYOD)

Trafalgar High School recognises that the use of technology in our classrooms can enhance and transform the way learning happens.

Technology in the classroom:

- Incorporates different learning styles
- Improves collaboration
- Increases engagement
- Promotes personalised instruction

Students use Compass and Microsoft Teams to access their learning tasks, daily lesson plans, download resources and submit their completed tasks.

BYOD Options

We provide multiple options for parents & carers so their child can have access to a device:

1. Purchase a recommended device from our preferred supplier.
2. Purchase a device that meets our minimum requirements from an independent store.
3. Bring a suitable device from home if you already own one (must meet the minimum requirements listed below).

Edunet

Trafalgar High School has approached Edunet to become our official supplier.

They are a reputable company that have been tested and approved by the Department Of Education and Training. We highly recommend that you purchase your device through the Edunet portal. The school technicians are unable to provide any software or hardware support to any devices that have not been purchased through our supplier.

More information on how to make a purchase through Edunet and the minimum requirements for a device can be found on the school website: <https://trafalgarhs.vic.edu.au/byod-information/>

Financial Hardship:

We do recognize that, like uniforms, supplies and extracurricular activities, a laptop computer for student use represents a significant investment for families. Please contact the school IT Department for any further enquiries: helpdesk@trafalgarhs.vic.edu.au

STUDENT WELLBEING

At Trafalgar High School, we prioritise the wellbeing of our students through a comprehensive approach that includes both one-to-one counselling and a range of extracurricular programs designed to engage and connect students to their school environment.

We offer various extracurricular programs such as:

- Transitional Support
- Peer Leadership Support
- Life Skills Groups
- Seasons for Growth
- Friendship & Support Groups

Our Youth Mentoring Program connects small groups of students with community volunteers, offering valuable support to encourage positive participation and communication. This initiative is run in partnership with the Trafalgar Youth Resource Centre.

We are pleased to have our very own School Psychologist, who provides specialised support for students facing various challenges. The psychologist offers counselling, assessments, and workshops, helping students develop coping strategies and enhance their emotional resilience.

Additionally, we have a dedicated Mental Health Practitioner who works closely with students to address mental health concerns. This practitioner provides individual and group support, facilitating workshops on topics such as stress management, anxiety reduction, and emotional regulation. Their role is crucial in helping students build a strong foundation for mental wellbeing.

In addition to our psychologist and mental health practitioner, we also have access to the Secondary School Nursing Program. Our School Nurse plays a crucial role in promoting better health within the community and works to reduce risks to young people.

One of the program's key goals is to reduce negative health outcomes and risky behaviours among youth, addressing issues such as substance misuse, mental health concerns, and other health-related challenges.

Parents are encouraged to reach out to the Student Wellbeing Team with any concerns. Our team is available from 9 AM to 4 PM at (03) 5633 1733. We also welcome in-house visits and will be present at Parent-Teacher Interview nights for discussions and support.

GROWTH FOR LEARNING (G4L)

Our Year 10 G4L program is designed to develop, encourage and enable student agency and responsibility. Teachers, as 'Learning Coaches', will encourage student agency and ownership of their learning.

Following the guidelines set by the Victorian Curriculum, our program covers a wide range of topics, including stress management, help seeking and goal setting. Through interactive discussions, role-playing activities, and case studies, students develop a deep understanding of the importance of mutual respect, empathy, and active consent in personal and social contexts. They also continue to develop their career action plan, identifying their preferred future pathway and exploring a range of scenarios that will provide optional pathways.

WORK EXPERIENCE

At our school, we recognize the importance of hands-on experience and real-world application of knowledge, which is why we have developed an exceptional work placement program. This program offers Year 10 students a unique opportunity to gain practical skills, explore potential career paths, and establish valuable connections in various industries. Our work placement program partners with local businesses, organizations, and community services to provide students with meaningful and relevant work experiences.

Through the work placement program, students are able to immerse themselves in professional environments, applying their classroom learning to real-life situations. Whether it's interning at a law firm, assisting in a hospital, or shadowing professionals in the engineering field, our students gain invaluable insights and develop key skills that will benefit them in their future careers.

STUDENT EXPERIENCE

House System

You will be placed in one of four houses when you first start at Trafalgar High School. If you have an older sibling at the school, you will be in the same House. Our school houses are:

HAWKE

DRAKE

NELSON

JERVIS

House Activities:

Swimming
Athletics
Lunchtime Activities
Sport Competitions

Leadership Opportunities:

Student Representative Council (SRC)		
Performing Arts Captains	School Community Captains	STEM Captains
Visual Arts Captains	Environment Captains	Class Captains

Student Leadership is an area that we continue to develop. Ideas and suggestions from students will be considered.

COMPASS

The Compass School Manager Parent Portal is an online application that will help parents access up-to-date and meaningful information about our school and your child's progress. It is essential that you access Compass on a regular basis to ensure that you have not missed out on important information.

Compass has many different features, including the ability to:

- Monitor your child's attendance, and enter approval for absence or lateness
- Communicate with your child's teachers, and update your family contact details
- View your child's timetable and the school calendar
- Monitor your child's homework and assessment tasks
- Download and view your child's progress and semester reports
- Book parent-teacher conferences
- Pay school fees
- Provide parental permission for events/excursions. Please note that if consent is not received by the due date, students will not be able to attend the respective activity.

Accessing Compass

Compass is a web-based system that is accessible on any modern web browser (Internet Explorer, Firefox, Chrome, Safari) or by using the Compass iOS or Android apps. Search for 'Compass School Manager' in the store.

Every family receives a separate login to Compass which will be provided to you by the school.

To access the parent portal, go to <https://trafalgars-vic.compass.education/>

Logging In To Compass

Upon first login, you will be required to change your password and confirm your email address and mobile phone number. These details may be used by the school for SMS, password recovery and email communication throughout the year.

If you have forgotten your password or are having any difficulties logging in, please contact our IT department: helpdesk@trafalgars.vic.edu.au

SCHOOL CONTRIBUTIONS

Schools provide students with free instruction to fulfill the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, we appreciate the relationship we have with our parents/guardians. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to purchase music, art, design tech and physical education equipment and resources to give our students the utmost opportunities. These funds also enhance other areas such as our library, food technology and student wellbeing spaces. Our building and grounds are constantly maintained and modified to suit the requirements of our students. All of these programs run alongside our traditional classroom teaching and learning programs and are justified to provide your student with a balanced and exemplary educational experience. Further information on the Department's Parent Payments Policy can be found at: <https://www2.education.vic.gov.au/pal/parent-payment/policy>

Financial Support For Families

Trafalgar High School understands that some families may experience financial difficulty and offers a range of support options, including:

- CSEF (Camps, Sports and Excursions Fund) (If you have a Health Care card you can apply for this)
- Access to State Schools Relief Committee support for clothing / uniforms (via Welfare Office)
- Second-hand Uniform shop
- Fortnightly or monthly Payment Plans

Centrepay and CSEF options are available for families who receive Centrelink benefits. Application forms are available at the school office. For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact our Business Manager: Sharon Lowater on (03) 5633 1733.
