

St James' Parish School – Information App for Apple & Android

At St James' Parish School we communicate with parents via an app (Audiri), **ALL** parents are advised to download the app & regularly read the content available to whole school, individual classrooms and our fortnightly newsletter.

How to create an Audiri account

A guide to create an Audiri account and how to complete the registration process.

Follow the steps below:-

- From your phone, navigate to the **Apple App Store** (iPhone users) or **Google Play Store** (Android user) and search for Audiri and download the free app.
- Once the download is complete, open the Audiri app, enter your email, and click on *continue*.
- Click on create a new account.
- You will receive an email with a code. Enter the code on the app.
 - If you do not receive the email within 15 minutes, please check your spam folder. If it is not in your spam folder, please visit the Audiri website for type on how to trouble shop the error you are experiencing.
- Enter your first name and last name and select what best describes you and click on *continue*.
- Enter your phone number and click on *continue*.
- Type your school or organisation name
- Select the school from the dropdown selections and click on *continue*.
- Select the subscription group/groups (Discovery, Exploration, Connecting & Leadership) and click on *continue*.
- Create a new password and click on *set password*.
- Click on Start Exploring
